Support Service

Challenge is committed to providing high quality flexible training through access to qualified trainers in your area of training. In addition, student workbooks assist students in gathering knowledge and provide access to activities to apply skills and knowledge in the work environment.

Our delivery methodology is enhanced by the following features:

- Group sizes that ensure all attendees have the opportunity to participate
- Interactive activities and energisers are built into delivery to encourage full participation
- Training materials are clear and have been written in plain English
- Content is work based, and can be applied by participants immediately
- Learning environments are selected carefully and a range of audio and visual equipment is used
- New and current information is developed and introduced in courses continuously
- Learning styles are taken into account and delivery is adjusted accordingly
- Reasonable adjustment principles apply for students requiring it

* Fees are due and payable on enrolment. Payment options include CASH, EFTPOS, Direct Debit and Credit Card.

* Challenge Employment & Training offers negotiated payment plans on a case by case basis.

* Challenge Employment & Training employs specialist Language, Literacy and Numeracy Trainers who can assist you through your qualification.

* Further Information for students is available on our website in the Student Handbook.
